At a time when many teachers are leaving the profession, the Teacher Retention Project is working to keep talented educators in front of students. TRP provides targeted, ongoing support to teachers through effective Instructional Coaches. In search of quality coaching resources, Kate Roach and her teachers have completed almost every one of the Sanford Inspire’s On-Demand Modules. Why? These freely available online lessons allow Kate and her teachers to “speak a common language about what is going on in the classroom,” so that she can give meaningful feedback. “I love them. All my teachers value the accessibility of the modules and learn from them. They are able to choose which modules they want to complete. That really gives them ownership of their learning.” Sanford Inspire resources help Kate’s teachers stay and thrive where they are needed the most—in the classroom.
